Celebrated author, international speaker, podcast host, holographic alchemist, light language linguist, multidimensional life coach, regression therapist, shamanic practitioner, spiritual teacher and podcast host.

Sheila Seppi is a holographic alchemist who collaborates with her collective team of Arcturian, Angelic, and Andromedan aspects to activate healing on body, mind, and spirit levels. As a channel for Andromedan Elder Mother Tiamu and other light language beings, Sheila facilitates profound transformations and brings messages of hope through her work.

A soul exchange walk-in, Sheila entered the body of a 38-year-old mother with three children, experiencing instantaneous healing from documented illnesses and acquiring new spiritual gifts and memories she had never previously known. Her life was dramatically altered, marking the beginning of a new chapter filled with extraordinary spiritual insights.

Her initial soul experience occurred in the Angelic realm, where she was given the name Nawaila (Nawai-la) by her original star family. Sheila's soul lineage is a fusion of Angelic, Pleiadian, Sirian, Arcturian, Lyran, Mantis, and Andromedan infused with multidimensional Christ Consciousness. Together, they are called the "Yahni". She arrived on Earth with the mission of guiding humanity through spiritual awakening and evolution and will return to her 7th density collective upon leaving this life.

A celebrated author of *Walk-Ins: Cosmology of the Soul* and *Cosmic Convergence: Journeys of Walk-Ins, Starseeds, and Hybrids* released this fall. Sheila is an international speaker, event promoter, podcast host, multidimensional life coach, holographic alchemist, regression therapist, shamanic practitioner, and spiritual teacher. She uses higher dimensional frequencies to empower others to connect with their higher selves through various transformative services.

Sheila is the Founder of the Conscious Awakening Network and AscensionTV, The Galactic Alliance, and SpiritWay Ministries.
