Celebrated author, international speaker, multidimensional life coach, healer, regression therapist, shamanic practitioner, and spiritual teacher.

Sheila Seppi is a soul exchange walk-in. She entered the body of a 38-year-old mother with three children and was instantaneously healed from documented illnesses and took on a new personality with spiritual gifts and memories she didn't even believe in. Her life was immediately transformed, and she has never been the same.

Her first soul experience was in the Angelic realm where she was given the name Nawaila (Na-wai-la) by her original star family. Her souls is a combination of her Angelic, Pleiadian, Sirian, Arcturian, Lyran, Mantis, and Andromedan multidimensional Christ Consciousness lineage. She arrived from her collective with a mission to be a way-shower for humanity by helping people to spiritually awaken and evolve. When she leaves this life, she will return to her 7th density collective.

Sheila, celebrated author of Walk-Ins Cosmology of the Soul, is an international speaker, multidimensional life coach, healer, regression therapist, shamanic practitioner, and spiritual teacher. She works the higher dimensional frequencies to empower others to embrace their own higher natures through a variety of services.

She is the Founder of the Conscious Awakening Network, The Galactic Alliance, SpiritWay Ministries, and podcast host for Conscious Awakening Series with Sheila Seppi, and Cosmic Conversations.
